Getting Started with Quicken® Essentials for Mac®

Before you can download your transactions with Quicken Essentials, you must have Internet access, your Customer ID, and PIN.

Your Quicken Customer ID and PIN are the same as you use to log in to HomeLink

For step-by-step help with an online task, choose the **Help** menu **Quicken Essentials Help/Basics/**

This guide includes the following sections:

- Downloading the Latest Quicken Update
- <u>Creating a New Account and Downloading via Direct Connect</u>
- <u>Creating a New Account and Downloading via Web Connect</u>
- <u>Keeping your Quicken Accounts up to Date</u>
- <u>For Additional Help</u>

DOWNLOADING THE LATEST QUICKEN UPDATE

- **1.** From the **Quicken** menu choose **Check for Updates**.
- **2.** Follow the on-screen instructions.

CREATING A NEW ACCOUNT AND DOWNLOADING VIA DIRECT CONNECT

Please see related screen shots below the steps:

- **1.** From the **Quicken** menu choose **Account/New** (from the submenu choose the account type such as Checking, Savings, or other)
- 2. In the Add Account window that appears, start typing First Commonwealth Federal Credit Union.
- 3. Select the First Commonwealth Federal Credit Union in the list, and click Options
- 4. Select the *Direct Connect* Radio Button and Click **Continue**.
- **5.** Log into your Intuit Account first; enter your **Member ID** and **Password**, and click **Continue**. Then enter your **Customer ID** and **Password** for online access to HomeLink.
- 6. Uncheck any account that you do not want to set up.
- 7. Click **Continue** when you have specified how Quicken should handle each online account.
- **8.** Click **OK** to view the account registers.

CREATING A NEW ACCOUNT AND DOWNLOADING VIA WEB CONNECT

Please see related screen shots below the steps:

Before you can download your transactions with Quicken Essentials, you must have Internet access, your Customer ID, and PIN.

Next step: login to HomeLink and follow the steps to download transactions into Quicken.

Save the downloaded Web Connect file (With extension .QFX)

- 1. Choose the **Quicken** menu **/Account**/**New** (from the submenu choose the account type such as Checking, Savings, or other)
- 2. In the *Add Account* window that appears, start typing First Commonwealth Federal Credit Union. Select First Commonwealth Federal Credit Union in the list, and click **Continue.**
- 3. Drag and Drop the downloaded Web Connect .QFX file to the designated area in the *Download Transactions* Quicken window.
- 4. Click Continue

To download Transactions into your Account Register:

1. Choose Accounts/Update Selected Online Account.

- **2.** Enter Password in the Pop-up dialog box.
- 3. Click OK

Quicken connects to the Internet and downloads your transactions for all the online accounts at First Commonwealth Federal Credit Union that you have set up in Quicken.

CONGRATULATIONS! YOU ARE SET UP AND READY TO USE QUICKEN ESSENTIALS
