**OUR PURPOSE**

It is our purpose to **EMPOWER** others - our employees, members, small business owners and our communities - in their pursuit of financial happiness.

**EMPATHY** is at the heart of who we are and our core values - **honesty, innovation, generosity, humility, excellence and respect** - are the cornerstones of our culture and who we are.

With our ability to understand, embrace and volunteer within our community, we are a voice of **HOPE** for our nearly 67,000 members and 1,500 employer groups.
